

Scholarship Audition 2021 Update:

Dear Glendale members,

Many teachers have questions about the upcoming Glendale Memorial Scholarship Audition, and we have more details about the event below. You can also find the details in the attached documents.

Online application deadline is **March 10**. Please upload the following documents **online** before the March 10 deadline:

1. High School transcripts since 9th grade
2. Recital program to prove that the student has participated in one of our branch events since Jan 2020.
3. Personal Statement/Biographical information: Teacher can copy and paste the statement in the online application, or you can upload it as an attachment in the online application

In the online application, you can upload up to 6 documents there, however, you don't need to use all of them. We included extra uploading spaces just in case if the school transcripts has multiple files.

The audition will be in **video format**. Students will record both pieces in two different videos and upload them to Youtube. The deadline to submit the youtube link is **April 4**, the date of the audition. Please email the youtube link (unlisted - no private) to Pamela Lam (pamlam@usa.net) anytime between March 10 – April 4. For fairness purposes, **please include a timestamp in the videos to prove that the videos are made between March 10 – April 4. The student doesn't need to make both videos on the same date.**

Winners will be notified 2 weeks after the audition date. Winners will not need to perform live in person at the Awards Night. However, there maybe a virtual Awards Night and more information will be emailed to the teachers/students in April.

If you still have questions, please email chair Pamela Lam (pamlam@usa.net).
